

Leadership Skills Development Training

Duration: 1 Day

Mode: Online / Classroom / On-Site

Certification: QLSS Certificate of Completion

Course Introduction

Effective leadership is critical to driving organizational success, fostering team engagement, and ensuring continuous improvement. This Leadership Skills Development training is designed to build core leadership competencies that are essential across industries and roles.

Participants will explore key traits of successful leaders, learn communication and decision-making strategies, and practice goal setting, motivation, conflict resolution, and team development techniques. The training is ideal for first-time managers, supervisors, team leaders, and high-potential employees preparing for leadership roles.
